

# IGOR POPOV

I'm striving to become more skilled and produce better software. To learn and improve myself I write about software development on my blog and also perform coding katas.

## CONTACT

### City

Galați, Romania

## RELEVANT EXPERIENCE

For my **full experience**, consult my [LinkedIn profile](#) from the networking section on the sidebar.

2017 - Present

### C#/WPF Senior Software Developer

NAPA Romania SRL, Galați, Romania

Developing C#/WPF applications for the maritime industry using best practices like MVVM, unit testing and pull requests with code review. Besides development, I also maintained the build system, wrote installers and mentored junior developers. I taught them the value of unit testing, refactoring and code maintenance through coding katas.

**Technologies** C#, WPF, XAML, MVVM, Async Programming, Multithreading, Microsoft Blend, Blend Behaviors, NUnit, .NET 4.7, IoC, AutoFac, Nuget, Telerik, MvvmLight, SonarQube, Git

2013 - 2017

### C#/WPF Senior Build and Release Engineer

NAPA Romania SRL, Galați, Romania

Creating application installers using C#/WPF/Wix# and writing tools in C#/PowerShell to automate builds. I also helped development teams adopt unit testing, build automation and continuous integration into their workflows.

**Technologies** C#, WPF, .NET 4.6, WiX#/installers, PowerShell, Git, Jira, BitBucket, Bamboo, TeamCity, Artifactory, SonarQube, Java, Gradle

2015

### Conference Speaker

ITAKE Unconference, Bucharest, Romania

Talking about raising unit tests quality by using mutation test coverage.

**Technologies** Java, JUnit, JaCoCo, Gradle, Git

2010 - 2011

### Software Developer

Actimage GmbH, Kehl, Germany

Working on applications that improve the lives of people affected by diabetes.

**Technologies** Python, TurboGears, REST API, PostgreSQL, GWT, Linux, Java, Android, Subversion

## HIGHEST EDUCATION

2012 - 2015

### Master's Degree

Advanced Information Technology

"Dunărea de Jos" University, Galați, Romania

2010 - 2011

### Licence professionnelle

Concepteur développeur en environnement distribué

"IUT Robert Schuman" University, Strasbourg, France

## TOP SKILLS

C#

WPF

Microsoft Blend

MVVM

Design Patterns

Git

Regex

Visual Design
